

500.13 Harassment, Intimidation, Bullying

The Mad River Local Board of education believes that an atmosphere must prevail in the schools where learning can flourish--an atmosphere free from uncertainty, discrimination and oppression, but also free from fear, disorder or disruption--an atmosphere where each student will be safe from harm to his/her person, property, peace of mind, and right to learn.

Hazing means doing any act or coercing another, including the victim, to do any act of intimidation or harassment to any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person.

Bullying is an intentional written, verbal or physical act that a student has exhibited toward another particular student more than once and the behavior causes both mental or physical harm to the other student and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student.

Permission, consent or assumption of risk by an individual subjected to hazing and/or bullying does not lessen the prohibition contained in this policy.

Prohibited activities of any type including those activities engaged in via computer and/or electronic communications devices are inconsistent with the educational process and are prohibited at all times. No administrator, teacher or other employee of the District shall encourage, permit, condone or tolerate any hazing and/or bullying activities. No student, including leaders of student organizations, may plan, encourage or engage in any hazing and/or bullying.

Administrators, teachers and all other District employees are particularly alert to possible conditions, circumstances or events that might include hazing and/or bullying. If hazing and/or bullying or planned hazing and/or bullying is discovered, involved students are informed by the discovering District employee of the prohibition contained in this policy and are required to end all hazing and/or bullying activities immediately. All hazing and/or bullying incidents are reported immediately to the Superintendent and the appropriate discipline is administered.

The Superintendent/designee must provide the Board President with a semiannual written report of all reported incidents of bullying and post the report on the District's website.

The administration provides training on the District's hazing and bullying policy to District employees and volunteers who have direct contact with students. Additional training is provided to elementary employees in violence and substance abuse prevention and positive youth development.

District employees, students and volunteers are provided with qualified civil immunity for damages arising from reporting an incident of hazing and/or bullying. Administrators, teachers, other employees and students who fail to abide by this policy may be subject to disciplinary action and may be liable for civil and criminal penalties in compliance with State law.

No one shall retaliate against an employee or student because he/she files a grievance.
