*Learning
For Future
Success*

MRECEC

The Positive Behavior System is just one of the great things about Mad River ECEC! Students are continuously praised for appropriate behaviors while growing socially and academically. We couldn't be happier with Mad River ECEC. **MRECEC Parent**

MRECEC created a safe, loving environment for my child to go to school. Now all I hear is "I want to go to school. It's fun!" MRECEC Parent

Looking For a Preschool for your Child?

Our program is the answer you have been looking for. We offer an excellent local program with highly qualified, experienced teachers for an affordable price. Students enjoy exciting learning experiences in the classroom and in the community.

Why Mad River Early Childhood Education Center?

- Highly qualified, experienced teachers and staff
- Curriculum aligned with district for successful transition to kindergarten
- Develops the whole child; students make growth both academically and socially
- Creative hands-on learning experiences
- Small group instruction
- Regular communication between teachers and parents
- Low tuition per semester

Class Experiences>>>

Busy days filled with active learning activities, creative projects and social development abound at Mad River's Early Childhood Education Center. Learning centers around high interest themes to build thinking skills and academic knowledge while instilling social confidence. Each fun-filled day includes whole and small group activities, literacy development, stories, fine and gross motor development, and snack.

Mad River ECEC uses the Creative Curriculum and Ohio Early Childhood Standards to guide and individualize instruction to meet students' needs.

Learning Experiences and Field Trips>>>

The community plays an active role in enriching the Mad River ECEC program with field trips and school visits throughout the year. Students visit a farm to pick pumpkins. The fire department visits with a rescue vehicle each year to

demonstrate fire safety. In addition to a family field trip to the library, the Dayton librarian visits to share stories, songs and rhymes with students each month. In-school programs from the Boonshoft "Exhibits to Go" entertain while promoting an interest in science. Parents are encouraged to participate in class activities, volunteer for special days, and are invited to share their talents with the school.

Positive Behavior System>>>

The entire MRECEC staff focuses on student success and recognizing positive behavior. Students work towards exciting behavior rewards each month like the Polar Express Day, an egg hunt, and carnival games as they learn positive social skills.

Mad River ECEC provides new and exciting learning experiences for your child every day.

Enrollment begins soon >>>

The Mad River Early Childhood Education Center will have open enrollment for typically developing children beginning May 1, for the new school year. Typical peers serve as *role models* for children with developmental delays enrolled in the program. Children need to be at least three years of age, potty trained, demonstrate clear verbal skills and positive social skills. Parents are responsible for providing transportation to and from the program. Contact or visit Student Services at 259-6603 for more information and an enrollment packet.

Do you have concerns about your child's speech, behavior, or physical development?

You know your child's needs best. Mention your concerns to our knowledgeable staff during registration for more information.
