1. Go to madriverschools.org

2. Click on Parent OneView Access under the Quick Links tab on left hand side of page.

3. Click on the “Create New Account.”

*KDG parents only* – You may already have a OneView Parent Account based on the KDG student you enrolled with us for the first time this school year. You will log directly into the parent login and automatically go to #6 below and add your additional students.

4. Fill in Personal Information

5. Create your own
   - Username/Password
   - Security Question/Answer
   - Pin Code

   *Please be sure to create a username/password/pin code that you will be able to easily remember. For example, use the username/password you already use to check your student’s grades in Progress Book.

6. Use Option #2 to link your child to your account based upon student details. You will need to use the student number you have been supplied on the opposite side of this paper after filling in the student’s NAME, GRADE LEVEL, and DOB.
   - Click Attach.

   *You will receive an email notification confirming you have created a parent account. If you do not receive an email, please check your spam folder and whitelist the email address.

7. Click on “View Online Forms.”

8. Click “Student Demographics and EMA” and fill in all required information. Once complete, add your electronic signature, date the form and click “Save & Submit to District.”

*If you are using your cell phone to register and get an error message that your student can’t be found (after you enter their ID number), you may need to try again from a computer.
