**FIGHT SONG**

Drive, drive on down the field.
Men of the scar-let and gray,
Don’t let them through that line.
We have to win this game today
FIGHT! FIGHT! FIGHT!
Smash through to vic-to-ry,
We cheer you as we cry.
   Our hon-or defend.
We will fight to the end
   For Stebbins High!

**ALMA MATER**

Oh Come,
Let’s sing our high school’s praise
Our voices to thy glory raise,
   In all we do, in all we say.
We stand behind the red and gray
Where ‘ere we go, where ‘ere we be,
   We give to thee our loyalty.
Our love for thee will never die
Come honor Walter Stebbins High.

GPA FOR EXTRA CURRICULAR AND ATHLETIC ELIGIBILITY
In order to be eligible for Extra Curricular/Athletic passing grades must have been received in a minimum of five one-credit courses, or the equivalent, in the immediately preceding grading period. In addition, any student failing to meet the 1.67 - .67 GPA must fill out a Study Table Eligibility Form to be placed on probation for the current quarter.

STUDY TABLES
Athletes with a 1.67 – .67 GPA MUST attend study tables weekly while on probation.

HOMEWORK POLICY
We believe homework is an integral part of learning and is important to the success of the student. Therefore, all assigned work must be completed. If not, a consequence, based on department and/or individual teacher guidelines, will follow.

EDUCATIONAL OPTIONS

PE OPTION
Students who have participated in interscholastic athletics, marching band, or cheerleading for at least (2) full seasons or in the junior reserve officer training corps (ROTC) for at least two full school years while enrolled in grades 9 through 12 may opt out of PE class. Students are required to complete a PE Option form for each season of interscholastic athletics, marching band, or cheerleading as well as each year of the junior reserve officer training corps (ROTC) which will be kept on file in the Guidance office. Deadlines for each season will be enforced. The deadline for fall sports, ROTC, and marching band will be the last school day of September based on the school calendar. The winter sport deadline will be the last school day of November based on the school calendar. The spring sport deadline will be the last day of March based on the school calendar. While students will be excused from the high school physical education requirement, the student shall be required to complete one-half unit, consisting of at least seventy hours of instruction, in another course of study. In the case of a student who has participated in the junior reserve officer training corps for at least two full school years, credit received for that participation may be used to satisfy the requirement to complete one-half unit in another course of study. Students who have not met the requirements for the PE Option by the end of their junior year will automatically be placed in PE for their senior year to meet graduation requirements.

FLEX CREDIT
Students of Stebbins High School now have the opportunity to take courses in a non-traditional manner. The Ohio Department of Education and Ohio Revised Code have adopted a policy called the Ohio Credit Flexibility Plan. The Ohio Flexibility Plan allows schools districts to broaden the scope of curricular options available to students, increase the depth of study possible for particular subjects, and allow tailoring of learning time and conditions of study. Regardless of the option selected, the student must demonstrate the knowledge and skills that are required within the curriculum for each class. If a student is interested, they should see their school counselor.

CAREER TECH DUAL CREDIT
Career Technical Financial Literacy and Pre-Professional Internship Option:

Students participating and completing a two-year Career Technical program will meet the requirements of Pre-Professional Internship and Financial Literacy as required by the district and Ohio Core. Students will be awarded ½ credit each for Pre-Professional Internship and Financial Literacy on a pass/fail basis.

Should a student begin and not complete a two-year Career Technical program, the student would then be required to complete the traditional Pre-Professional Internship and Financial Literacy courses as outlined in the course description guide.
ELECTRONIC CURRICULUM
Students may have an opportunity to take some electronic curriculum classes during Summer School or the After School Credit Recovery Program. These courses serve primarily for students to earn back credits they have failed and to stay on pace with their graduating class. School counselors will advise parents and students of available options based on the academic needs of each student. These opportunities are limited.

STUDENT SCHEDULE CHANGE POLICY
Students are expected to make course selection decisions carefully and accurately since all master schedule and teacher staffing decisions for the following school year are based upon the number of students selecting each course. Once students have selected and requested their courses for the next school year, they will be expected to attend and complete those courses. If a schedule change must be requested, the following reasons, procedures, and guidelines will be observed:

*Schedule changes will be considered only when:
- The student could not be scheduled for all courses originally requested (i.e. course has been cancelled, class balancing, staffing decisions, etc.)
- The high school schedule does not align with the college schedule (College Credit Plus Program.)
- The student is scheduled into a course without having the required pre-requisites completed, including retention requirements
- The student has passed or failed a summer school course which necessitates a change
- A senior is not scheduled for a course that is required for graduation
- Medical reasons documented by a physician, and approved by the principal, which affect the student’s participation (i.e. dropping physical education because of broken bones, long-term hospitalization, etc.)
- Any error made by the school

*For career/technical programs, a request to withdraw from the program and return to regular classes must be made no later than the first week of the start of classes. Approval from the teacher, parent, and director are required.

*The Principal will consider unusual cases with legitimate or extenuating circumstances and make the final decision as to whether or not a schedule change will be approved. If a course is approved to be dropped after it has begun, a determination will be made as to whether or not a grade of W/P (withdraw/passing) or W/F (withdraw/failing) will be recorded on the student’s transcript.

WITHDRAWING FROM A CLASS
Any student wishing to withdraw from a class must do so before the 5th day of the quarter. A withdrawal after the designated date(s) shall result in receiving an “F” for the course. The student’s assistant principal must approve all withdrawals. Prior to meeting with the administrator, students must schedule an appointment with their counselor to review their needs and obtain the necessary form for parent signature.

USE OF STUDENT RECORDS: CONFIDENTIALITY
For the protection of the student, official school records shall not be made available to any person or organization without the prior written permission of the student’s parent or legal guardian or from the student if he/she is over eighteen (18) years of age.

In compliance with federal regulations, directory information consisting of a student’s name, address, phone listing, date and place of birth, courses of study pursued, participation in recognized activities and sports, weight and height of members of athletic teams, dates of attendance, date of graduation, years enrolled, degrees and awards received, and last school of attendance, may be released unless a student’s parent(s) request otherwise.
The Family Educational Rights and Privacy Act (FERPA) is a Federal privacy law that gives parents certain rights with regard to their children’s education records, such as the right to inspect and review your child’s education records. To protect your child’s privacy, the law generally requires schools to ask for written consent from you before disclosing personally identifiable information from your child’s education records (student information) to others. However, FERPA does permit schools to disclose your student’s information without your consent under limited circumstances (referred to as exceptions). For example, your child’s information may be disclosed to another school in which your child is enrolling, or to local emergency responders in connection with a health or safety emergency.

The U.S. Department of Education has revised its regulations governing the implementation of FERPA by schools, districts, and States. These revisions change several of the exceptions to FERPA’s consent rule.

The Revised FERPA – An Overview for Parents and Students (Policy 8330) can be found in its’ entirety at www.madriverschools.org and on the Downloads & Links page of the Stebbins High School website.

WITHHOLDING OF GRADES AND CREDITS
The administration will develop a schedule of fees for materials and prescribe a schedule of charges, which may be imposed upon pupils for the loss, damage, or destruction of school apparatus, equipment, musical instruments, text books, library books, and damage to school buildings. Payment of such fees and charges may be enforced by withholding credit and/or grades at the end of the school year of the pupils concerned. O.R.C. 3313.642(C) provides all schools the authority to withhold school records due to non-payment of school fees or failure to return textbooks.

ATTENDANCE
The educational program offered by this District is predicated upon the presence of the student and requires continuity of instruction and classroom participation. Attendance shall be required of all students enrolled in the schools during the days and hours that the school is in session or during the attendance sessions to which s/he has been assigned.

A student in grades 9 through 12 may be considered a full-time equivalent student provided the student is enrolled in at least five (5) units of instruction, as defined by State law, per school year.

In accordance with statute, the Superintendent shall require, from the parent of each student of compulsory school age or from an adult student who has been absent from school or from class for any reason, a written statement of the cause for such absence. The Board of Education reserves the right to verify such statements and to investigate the cause of each single absence or prolonged absence.

The Board considers the following factors to be reasonable excuses for time missed at school:

A. personal illness (a written physician's statement verifying the illness may be required)
B. illness in the family necessitating the presence of the child
C. quarantine of the home
D. death in the family
E. necessary work at home due to absence or incapacity of parent(s)/guardian(s)
F. observation or celebration of a bona fide religious holiday
G. out-of-state travel (up to a maximum twenty-four (24) hours per school year that the student’s school is open for instruction) to participate in a District-approved enrichment or extracurricular activity
H. absence during the school day for professional appointments (AG5200)
I. Parents are to be encouraged to schedule medical, dental, legal, and other necessary appointments other than during the school day. Since this is not always possible, when a student is to be absent for part of the day:

- the student shall have a statement to that effect from his/her parents;
- the student shall bring a signed statement from the doctor, dentist, lawyer, counselor, etc. to the effect that s/he reported promptly for the appointment;
- the student shall report back to school immediately after his/her appointment if school is still in session. (AG5200)

J. Emergency or other set of circumstances - The Superintendent shall determine whether the reason for the absence constitutes good and sufficient cause. (AG5200)

K. Such good cause as may be acceptable to the Superintendent

L. Medically necessary leave for a pregnant student in accordance with Policy 5751

M. Service as a precinct officer at a primary, special or general election in accordance with the program set forth in Policy 5725

Absences that do not accumulate against this guideline include: field trips; college visits, not to exceed 2 in number.

The following notes are considered acceptable for excused absence:

- Medical Note – Doctor, Dentist, Hospital
- Funeral – Memory Booklet or Newspaper Obituary (covers only the day-of and appropriate time travel)
- Court Appearances

The following absences shall be considered unexcused:

- Truancy
- Missing the bus
- Trips not approved in advance
- Shopping
- Hunting, fishing, attendance at games
- Birthday or other celebrations
- Gainful employment
- Oversleeping
- Car trouble
- Driving test/class
- Class cuts/skipping class

Any classroom assignment missed due to the absence shall be completed by the student.

Attendance shall be taken at the beginning of every block/period in buildings with block/period-based scheduling. Absences from a class block/period shall be accounted for to the nearest full hour.

Attendance shall be taken at the commencement of the school day in buildings with non-period-based schedules. Attendance for students arriving late or leaving early must be tracked and recorded to the nearest full hour.
Absence Reporting

When a student is absent from school:

- Parents/legal guardians are responsible for reporting their child’s absence and the reason(s) for the absence.
  - This should be done in the morning between 8:00 a.m. and 10:00 a.m. on the day the student is absent. Parents/legal guardians should call to report the absence and reason.
  - If phone contact is not established, the parent/legal guardian should submit a written excuse to the attendance secretary upon the student’s return to school. The written excuse must state the reason and the date(s) of the absence. **Students are given five days to furnish the valid excuse.**
- If a student is absent due to a medical appointment/hospitalization a doctor’s note should be provided to the attendance secretary upon the student’s return to school.
- Written excuses may be requested in addition to phone contact, at the discretion of building administration.
- Absences will be determined as excused or unexcused based on building and district policy outlined above in ATTENDANCE.
- Students who accumulate any unexcused absences in a semester will not be eligible for exam exemptions at the end of the semester.

Tardiness

Students not in their 1st period class by 7:40 a.m. will be considered tardy. Parents are requested to notify the school if a student is going to be tardy. An accumulation of tardiness to school on the part of the student will be grounds for disciplinary action. Students not inside their classroom, when the bell rings, will be considered tardy. Excessive tardiness will be referred to the office for disciplinary action.

- Tardy 1-4: Student is informed of number
- Tardy 5, 6 & 7: Administrative Detention (7th tardy in a semester = loss of exam exemptions at the end of the semester)
- Tardy 8, 9 & 10: AIM

Excessive Absences & Habitual Truancy

When a student of compulsory school age is absent from school with or without legitimate excuse for thirty-eight (38) or more hours in one school month, or sixty-five (65) or more hours in a school year, the attendance officer shall notify the child's parent or guardian of the child's absences, in writing, within seven (7) school days after the date of the absence that triggered the notice requirement. At the same time written notice is given, any appropriate intervention action listed herein may be taken.

A student will be considered habitually truant if the student is of compulsory school age and absent without a legitimate excuse for thirty (30) or more consecutive hours, for forty-two (42) or more hours in one (1) school month, or for seventy-two (72) or more hours in one (1) school year.

Legitimate excuses for the absence of a student who is otherwise habitually truant include but are not limited to:

A. the student was enrolled in another school district;
B. the student was excused from attendance in accordance with R.C 3321.04; or
C. the student has received an age and schooling certificate.
Leaving School Grounds

Once students arrive at school, they are not permitted to leave the school grounds at any time during the school day without permission from the school office. Students leaving during the day must have a written request from a parent/legal guardian. Students should report to the attendance secretary before school to secure a Special Excuse Slip. This will serve as a pass to leave and enter the building. All students must sign out with the attendance secretary when leaving, and sign in upon return.

Parents picking up students must sign the student out at the attendance secretary’s desk, and include the reason why the student is leaving. It is helpful if the parent calls prior to picking up the student if the student does not have a special excuse slip for the day.

No pupil shall be permitted to leave school prior to dismissal at the request of, or in the company of, anyone other than a school employee, a police officer, a court official, or the parent/legal guardian of the child, unless permission of the parent/guardian is first secured.

No pupil will be allowed to leave the building with a family member or any other individual listed on the Emergency Medical Form without written permission from the pupil’s custodial parent/legal guardian.

Students are not permitted to walk home during the school day without the expressed permission of the parents/guardians who have consulted with Administration or office personnel.

When parents are divorced, school personnel, regarding the release of a student, will show considerable caution.

Student Vacations During the School Year

Students are permitted to go on vacation during the school year without penalty (except the week ending each semester). The purpose of this administrative guideline is to accommodate parents who must take their vacations during the school year and the desire to enjoy that time as a family.

Whenever a proposed absence-for-vacation is requested, parents must discuss it with the building administrator. The length of absence should be made clear, and those involved should have an opportunity to express their views on the potential effects of the absence.

The District will only approve a student's absence for a vacation when s/he will be in the company of his/her own parent or other family relatives but not other students' parents, unless there are extenuating circumstances deemed appropriate by the principal.

If a student is absent for any other type of vacation, s/he will be considered inexcusably absent from school and subject to truancy regulations.

Request for Early Release due to Transfer/Moving

Parents/legal guardians who are requesting early release of their children due to transfer should complete a Request for Early Release Due to Transfer From. Approval of this request by the principal would permit the student(s) to complete the requirements of his/her studies prior to the end of school. A student must have been in attendance 85% of the current grading period for grades 9-12 to receive consideration for this request.

CHANGE OF ADDRESS AND/OR TELEPHONE

If at any time during the school year a change occurs in a student’s/parent’s home or business address or telephone number, please see Student Services for appropriate paperwork. Up-to-date records are essential in handling emergencies.

HOMELESS STUDENTS

Homeless students will be provided with a free and appropriate public education in the same manner as other students served by the District. Homeless students are eligible to receive transportation services, participate in education programs for students with disabilities or limited English
proficiency, participate in gifted and talented programs, and receive meals under school nutrition programs. Homeless students will not be denied enrollment based on lack of proof of residency. For additional information, contact the liaison for Home Students at 937-259-6603.

HEALTH STANDARDS AND PROVISIONS

CLINIC PROCEDURES/STUDENT ILLNESS
If a student becomes ill during the school day the student is to obtain a pass from his/her teacher and go directly to the clinic. Students will not be admitted to the clinic without a pass from the classroom teacher. If a student is to be sent home, arrangements for transportation must be made through Student Services. A parent/guardian must be contacted by the office for permission before the student is released from school. Students are not to call home before reporting to the clinic (do not use personal cell phones, staff cell phones, or classroom phones) in order to have their parents/guardians pick them up at school because of apparent illness. Students must be signed out by their parent/guardian before they leave school.

_Students are not permitted to be sent to the office the first or last 45 minutes of the school day._

Disciplinary action may be taken if a student calls home before the Student Services Staff determines the nature of the illness.

EMERGENCY MEDICAL FORMS
It is required that parents fill out an _EMERGENCY MEDICAL AUTHORIZATION_ form for Student Services to keep on file. In the event a student becomes ill or injured, the information on this form will allow us to provide appropriate medical treatment. Students are not permitted to attend school, on an on-going basis, without the completion of this form.

MEDICINE
It is the policy of the Mad River Local Schools that all students’ medication be administered by a parent at home whenever possible. Under certain circumstances, medication may be administered at school. Ohio state law mandates that no medication, either non-prescription or prescribed by a physician for a student, be administered to that student unless the following occurs:

1. The school administrator receives _a written request by the parent or guardian_ that the drug be administered to the student.
2. The school administrator receives a _completed Medication Request form signed by the prescribing physician (a separate form for each medication)_.
3. The green Medication request forms are to be completed as directed on the forms.
4. The parent or guardian submits additional Medication Request forms in the event conditions or the prescription changes. (Physician must sign a new form)
5. The school official authorized to administer the medication receives the medication in the _original over-the-counter container or prescription bottle in which it was dispensed_. [Name, physician, date, dosage instructions (quantity and time) and name of medication].
6. The local Board of Education may adopt any additional procedures and requirements it deems necessary.
7. _This policy is enforced for all “over-the-counter” medications, including but not limited to Tylenol, aspirin, cough syrups, cold tablets, pain pills, etc._
8. All medication will be kept and administered in Student Services. Students are responsible for requesting medication.

VACCINATION AND IMMUNIZATION
No person shall be admitted as a pupil in any elementary or secondary school who is in violation of the requirements for immunization and vaccination as -specified by the Ohio Revised Code.
DRESS AND GROOMING
The Board of Education recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance, except when their choices interfere with the educational program of the schools. Each principal, in consultation with his/her staff, shall develop a dress code which complies with Board of Education Policy 5511.

With this in mind, we believe it is necessary to place guidelines on a student's hair style and his/her manner of dress if those present a hazard to the student's health and safety, cause an interference with the educational process or create classroom or school disruption. These guidelines are important not only to the individual student, but also to those with whom s/he shares school property.

The administration will determine proper application of the dress code. In making this determination, the administration may decide that certain types of clothing are not appropriate. Administration discretion will be exercised in working with individual situations as this may affect the educational environment.

Dress and grooming are factors in a positive educational environment. Habits of personal cleanliness and grooming will be practiced by staff and students. In order to establish and maintain this environment without disrupting the learning process, the following administrative guidelines have been developed:

• Clothing should be in good taste and sensible in size, length, and style.
  • Shorts and skirts will be -at a minimum- at least fingertip length (when standing with shoulders relaxed, your shorts or skirt will come down to the tip of your fingers)
    o Any clothing that shows undergarments will be deemed to not be in good taste.
    o Pants must be worn at the waist.
    o Leggings and yoga pants must be worn with a shirt that also meets requirements of length mentioned above. If you can see through the pants, it is deemed to not be in good taste.
    o If there are holes in the jeans and skin is visible, the same rule applies to length requirements listed above.
  • The following dress is not considered appropriate for school: strapless or sleeveless tops, shoulder-less shirts, spaghetti straps, tank tops, halter-tops, or clothing that bares the midriff.
  • Pajamas, or clothing resembling pajamas (in particular, pajama bottoms) is not appropriate school attire
  • Students must wear shirts at all times
  • Clothing expressing reference to drugs, alcohol, tobacco, violence, etc., is not considered appropriate.
  • Clothing displaying sexually explicit suggestions, illustrations, words or innuendos is not appropriate
  • Hats, sunglasses, or other head apparel are not permitted, unless approved by the administrator.
  • Outdoor apparel (coats, vests and jackets) should be placed in the student's locker/cubby for the duration of the day. Students who consider the building to be cold should wear sweaters, sweatshirts, or an over shirt.
  • Students must wear safe and appropriate footwear at all times. Household/bedroom slippers, heelies/wheelies, are not appropriate. In some grade levels, slip-on sandals, flip-flops, and similar shoes are not appropriate.
  • Students must abide by the rules set forth in classes requiring special dress.

Students will not be permitted to go home to change. Attempts to secure appropriate clothing from home or borrow from the office will be made.

Students who violate the dress code will be referred to the Assistant Principal’s office. 1st Referral: Warning, 2nd Referral: Detention, 3rd & 4th Referral-AIM, 5th Referral: Suspension
BOOK/GYM BAG POLICY
Any bag/purse used must be able to fit in your personal space and under your seat.

TRANSPORTATION

BUS TRANSPORTATION TO SCHOOL
Students riding the busses, must abide by the Code of Conduct, in addition the Board of Education has installed video cameras on school buses to monitor student behavior.

Transportation is not available to students admitted via open enrollment.

STUDENT AUTOMOBILES/PARKING LOTS
Use of the school parking lots is a student privilege. Students must register their vehicle. Those vehicles not registered will be towed. Students must comply with parking regulations. The student parking tag must be clearly visible on the rear-view mirror.

- Students are to park only in the student parking lot. No other lots are to be used.
- All cars driven to school must be registered with the Cashier’s Office.
- Parking tags will be issued for registered cars and will be clearly hung from the rear view mirror.
- Students are not permitted to be in the parking lot during the school day without written permission from an administrator.
- Students must leave their car immediately after parking.
- School officials have the right to examine the contents and/or search a car parked on school premises.
- School busses arriving to and departing from school have the right of way at all times. Student cars must remain stationary after the buses have begun to exit.
- Failure to comply with the established regulations and violations that include but are not limited to excessive speed, driving recklessly, squealing tires, etc., may result in the student’s driving privilege being revoked and/or disciplinary action.

STUDENT FEES
All students who attend Stebbins High School are assessed a $10 student activity fee. Various courses also require an additional fee. Fees are required to be paid in full prior to graduation. Students who qualify for free lunch may also qualify for fee waiver.

Extra-Curricular Fees
Participation fees are required for all extra-curricular activities such as Athletics, Drama/Musical, AFJROTC Drill Team and Academic Team. Fees vary by activity and may range from $35-$100.

Textbooks
Students are issued textbooks and are expected to take care of them. In cases where a book is defaced or lost, the teacher shall post a charge to the student’s debt list, which will cover the cost to replace the book at current market price.

If a student does not turn in all textbooks and/or supplemental curriculum materials past the last day of each nine-week term, or on another day required by staff, a $5.00 late fee will be assessed for each text. If a text is submitted after the end of the nine-week term, the fee for the missing text will be removed, but the $5.00 late fee will remain and must be paid by the student. Consequences for unpaid late fees will be the same as other categories of unpaid student fees.

Written notification shall be sent home 24 hours prior to the detention to allow students to arrange transportation. **The student is responsible for taking the notice home to the parent.** The parents are responsible for the student’s transportation.
SUSPENSION FROM SCHOOL
The school may impose a suspension from school for a duration of 1-10 days. The school may also prohibit a student from participating in any or all co-curricular and extra-curricular activities in accordance with the Code of Conduct/Student Discipline Code.

- Credit may be given for work missed due to out-of-school suspension provided the student has not previously been suspended from school and the student completes and submits all required assignments upon returning to school.
- Credit may not be given for work missed due to out-of-school suspension if the student has been previously suspended.
- Suspended students may not be permitted to take exams regardless of how many suspensions they have previously served.

EXPULSION
If an infraction of the Code of Conduct is severe enough the school may recommend the student for expulsion. Expulsion is the removal of a student from the schools of this district for a period not to exceed the greater of eighty (80) school days.

BULLYING
Bullying is an intentional written, verbal, electronic or physical act that a student has exhibited toward another particular student more than once and the behavior causes both mental or physical harm to the other student and is sufficiently severe, persistent or pervasive that it creates an intimidating, threatening or abusive educational environment for the other student. Permission, consent or assumption of risk by an individual subjected to hazing and/or bullying does not lessen the prohibition contained in this policy.

PROCEDURE FOR THE COLLECTION AND PAYMENT FOR CHARGED MEALS
It is the responsibility of the parents to provide for lunch for their children while at school. However, it is important to provide that children receive the nutrition they need to stay focused during the school day. This procedure shall apply in the event that a child neither has a lunch nor the funds to purchase a lunch.

An elementary student (Grades K-4) may only charge up to three (3) meals in succession. Once the charges have been satisfied, the student may again charge up to three (3) meals in succession a second time following the same process. After a student charges one (1) time, a notification will be sent to the parent or guardian about the student charging a lunch. This will eliminate any surprises on the child's part and provide the parent with two (2) more opportunities to pay the student's charge balance. An alternative meal of peanut butter and jelly will be offered to those students who are delinquent on their account.

A middle school student (Grades 5-8) may only charge up to three (3) meals in succession. Once the charges have been satisfied, the student may again charge up to three (3) meals in succession a second time following the same process. After a student charges one (1) time, a notification will be sent to the parent or guardian about the student charging a lunch. This will eliminate any surprises on the child's part and provide the parent with two (2) more opportunities to pay the student's charge balance. An alternative meal of peanut butter and jelly will be offered to those students who are delinquent on their account.

A high school student (Grades 9-12) may only charge up to one (1) meal at a time. Once the charges have been satisfied, the student may again charge one (1) additional meal following the same process. After a student charges one (1) time, a notification will be sent to the parent or guardian about the student charging a lunch. This will eliminate any surprises on the child's part and provide the parent with an opportunity to pay the student's charge balance. An alternative meal of peanut butter and jelly will be offered to those students who are delinquent on their account.
A student's parents, teacher, and Principal will all be notified of the delinquency in the student's account each time it is necessary for the student to charge a meal to give the parents time to send a check or cash to school with their child to give to the school secretary or food service cashier.

Parents may also pay for school meals via the Internet through the District’s Nutrition Services website.

At the discretion of each Principal, a school or private service fund may be established to pay for student’s charged meals, rather than to offer the alternative meal. The Nutrition Services Manager will work with each Principal to determine a payment schedule for these meals.

There are a number of different lunch options available. Parents may place money on a student’s account such that no cash needs to be exchanged.

**CLASS RINGS**

Each year a manufacturer’s representative visits the school, and students are permitted to purchase class rings and other such memory items. In no way are students under any obligation to purchase any of these items. However, the school does endorse this process.

Elevator use may be permitted through Office C. Appropriate medical documentation must be provided for use. Students are responsible for lost or stolen keys.

EMERGENCY CLOSING OF SCHOOL
If it is necessary for the Mad River Local Schools of Montgomery County to be closed for an emergency, an announcement will be made over the Dayton radio, television stations and the district’s Blackboard phone system. You can also access information via the district web page www.madriverschools.org. Please do not call the school.

EXAM POLICY
All students will take all exams except where they meet the requirements of the exam exempt policy. Students must take their exam on the assigned exam date. Students who miss school on an exam date for any other reason than a medical emergency or an earned exam exemption will receive a zero on their exam. Students must stay in their assigned exam location for the duration of the exam period. Students who leave prior to the end of their exam period may receive a zero for their exam.

EXAM EXEMPT POLICY
The primary purpose of the Stebbins High School exam exemption program is to provide an incentive to improve student attendance and reward academic performance. Students may be exempted from semester/final exams if they meet the criteria of the exam exemption policy.

While the exam exemption program has been designed as an incentive for students, it must also be understood that students with an exam exemption may take all exams if they choose to do so. If a student chooses to take an exam that they may be exempt from, the exam score will count only if it improves the student’s overall grade in that class.

The exam exemption program is separate from the school’s annual recognition program for perfect attendance. The Perfect Attendance Award is given to students who have no absences, tardies, or early dismissals for the entire school year.

It is important to understand that testing is an important part of academic life at Stebbins High School. In addition to taking semester/final exams, students also regularly take classroom tests, as well as standardized tests including AP Exams, PSAT, SAT, ACT, STAR, WEB exams, and ODE AIR. The exam exempt policy does not apply to any tests mandated by the State of Ohio, Federal Government, Career Tech Program Requirements, or the Board of Education.
REQUIREMENTS FOR OBTAINING AN EXAM EXEMPT:

- There are two criteria which must be met to earn an exam exemption:
  - Less than 18 hours of absence in the semester (equals 3 full school days). This includes all absences (excused and unexcused absences and tardies, sign outs for appointments, sick days, doctor visits, etc.) School sponsored field trips, pre-approved college visits, and school organized Internships/co-ops will not count against a student’s exam exempt attendance.
  - A 73% or higher semester average in the course being exempted.
- Students may not be exempt from both the semester and final exams in the same course. At least one exam (semester or final) must be taken in each yearlong course.
- Students enrolled in Dual Credit classes will not be exempt from either the semester or final exams due to the unique requirements necessary for earning college credit in these classes.
- Students who exceed 6 tardies to class for the semester will lose the privilege of exempting the class exam for the semester in which the excess tardies occurred. Individual class teachers will keep track of this requirement.

ALLOWABLE EXAM EXEMPTIONS:

FRESHMEN: 2 exam exemptions per semester.
SOPHOMORES: 2 exam exemptions per semester.
JUNIORS: 3 exam exemptions per semester.
SENIORS: 1st Semester - 3 exam exemptions. 2nd Semester – Seniors may be exempt from all final exams in all classes where they have an average grade of 73% or higher for the semester and meet the attendance requirement.

FIRE DRILLS

Fire drills at regular intervals are required by law and are important safety precautions. When the first signal is given, everyone should obey orders promptly and clear the building by the prescribed route as quickly as possible. The teacher in each classroom will give the students instructions.

SCHOOL COUNSELORS

Each student is assigned to a school counselor who has the responsibility to assist students with academic, social and/or personal problems. Students may make an appointment to see a counselor in the Guidance Office. Notification of such appointments will be through the teacher of the period that would be missed for the appointment.

HALL PASSES

Students are not permitted in the halls during class periods unless they are accompanied by a teacher or have a valid hall pass from a staff member. No hall passes will be given during the first 5 minutes of each period.

HAZING

Hazing means doing any act or coercing another, including the victim, to do any act of intimidation or harassment to any student or other organization that causes or creates a substantial risk of causing mental or physical harm to any person. Permission, consent or assumption of risk by an individual subjected to hazing and/or bullying does not lessen the prohibition contained in this policy.

INSURANCE

An accident insurance and low-cost health insurance programs are available. Interested students may inquire in Office A at the beginning of the year for information pertaining to the purchase of insurance.
LIBRARY MEDIA CENTER (LMC)
The Library Media Center is available to students for research, quiet study, leisure reading, and computer usage. During the day, students may visit the LMC by the following methods:

- Class visits arranged by their teacher.
- By using their planners, with their teacher’s permission, for short visits.
- With a library pass, written by their teacher, for longer visits.
- By obtaining a pass from the librarian for Advisory Period visits.

LITERATURE AND SALES
 Individuals or groups wishing to distribute literature or conduct fund raising through sales, collection, and/or donations of any kind on school property must first obtain permission from an administrator. (Board Policy Section 6.09)

LOCKERS
Each student is assigned a locker in which to store books, coats, book bags, and school supplies. Students will receive this locker assignment from their Advisory Period teacher. Each student is responsible for his/her locker by keeping it locked, clean, and orderly at all times. Students are not to share lockers. Hall lockers are the property of the Board of Education and made available to students for their use. Should a student forget his/her locker combination or have trouble with the lock, he/she should seek assistance from the Student Services Office.

LOST AND FOUND
The lost and found area is located in student services. Large items or clothing will be in the custodian’s office. Due to space limitations – items will be disposed of every Friday.

NCAA ELIGIBILITY STANDARDS (QUICK REFERENCE)
There are new requirements for college-bound students – athletes enrolling full time at an NCAA Division 1 college or university on or after August 1, 2016. Students may register for the NCAA Clearinghouse at any time; however, it is recommended that students register during their sophomore year. The registration website is www.eligibilitycenter.org. The NCAA Eligibility Center will evaluate a student’s academic credentials once the following information has been received, and the student has had his/her status requested by an NCAA member institution.

- Completed online registration
- Fee payment
- SAT and/or ACT test score on file from the respective testing agency
- Transcript(s) from all schools or programs attended

PLEASE NOTE: Only core courses that have been NCAA approved are used in the calculation of the grade point average. Please see guidance for additional information.

PARENT CONFERENCE AND VISITATIONS
Parents are encouraged to contact a specific counselor and/or teacher to discuss their son or daughter’s progress. Call to make arrangements for individual/group conferences at 237-4250 or for counselors 237-4257.

PUBLIC DISPLAY OF AFFECTION
Students who become overly affectionate with one another present an embarrassing situation to those around them. School is not the place for such amorous behavior. Students will not kiss, embrace, or exhibit behavior not acceptable at school. Students not able to set reasonable limits on their behavior in this regard will be subject to disciplinary action.

SEARCH & SEIZURE
Search of a student and his/her possessions, including lockers and/or vehicles, may be conducted at any time the student is under the jurisdiction of the Board of Education, if there is a reasonable
suspicion that the student is in violation of school rules. A search may also be conducted to protect the safety of others.

Any student who exercises the privilege of parking an automobile on school grounds shall be considered to have given implied consent to a search of such automobile at any time a search is requested by the school administration. Failure to comply with a reasonable search will be considered insubordination.

SECRET SOCIETIES
Law forbids secret societies, sororities, and fraternities. (Ohio Revised code 2923.35)

STUDENT WORK PERMITS
Applications for work permits may be secured in the student services office.

TORNADO
In the event of a tornado, students will move into the assigned areas. They should sit on the floor facing the wall and cover their heads with their hands.

VANDALISM
The administration is authorized to take direct and immediate action against students who vandalize buildings, property, or equipment owned by the Board of Education. Accordingly, the administration will impose disciplinary action consistent with the law, including but not limited to assessment of cost against the student or parent.

VISITORS
In order to protect the educational programs of the schools from undue disturbance, each principal shall establish rules and procedures for visitors which shall include the following:

A. Persons wishing to visit one (1) or more schools are to make arrangements in advance through the school office of each school to be visited.
B. Persons wishing to eat lunch with a student are to make arrangements in advance through the school office and must meet one (1) of the following criteria:
   1. They must be the student's custodial parent/guardian or,
   2. Be on the student's contact sheet as listed in the district SIS or,
   3. Must have verbal permission from the custodial parent/guardian communicated directly to the school office and
   4. They must present a valid ID when signing in at a given building
Any person who does not meet the criteria as stated above will be denied access to the cafeteria and will be asked to leave the building.
C. Every visitor to a school must register at the school office. Sign-in lists showing name, time, person visiting, and time departing shall be maintained by the office. Any person who does not register with the school office is on school property illegally and should be asked to identify himself/herself properly or to leave the school grounds. If the visitor refuses to leave the school grounds or creates any disturbance, the building principal should request aid from Central Office.
D. Students may not bring guests to school unless permission to do so has been granted by the building principal.
E. No staff member is to transact business with a visitor who does not have visitor's pass.
F. Parents, other than those who have been asked by a teacher to be in the classroom, who wish to observe learning activities taking place in their child's classroom are to confer, in advance, with the principal and the teacher and state the purpose of the visitation.
It is important that each parent understands that because classroom visitations can be distracting to the students, the following guidelines have been established:

1. Visitations will not be allowed during examinations and independent study periods.
2. Parents are to be silent observers and are not to create any type of disturbance or disruption to the learning process.
3. Copies of instructional materials being used by the students or teacher may not always be immediately available during the visitation.
4. Any comments made by individual students are to be maintained in confidence by the visitor to the activity.

G. Use of audio or visual equipment to record classroom activities must be approved by the principal and the teacher. No visitor shall be allowed to videotape students in the classroom as it violates the privacy rights of students unrelated to the visitor. Recording of other school activities will be in accord with AG 9160 - Attendance at Public Events.

H. If a parent or other visitor wishes to tape record a conversation or meeting with a teacher or the principal, s/he should request permission from the teacher or principal. If the teacher or principal wishes to record a conversation with a parent or other visitor, s/he is to inform that person that the conversation is being recorded before the conversation begins. Federal law allows a parent to record an I.E.P. and, if the parent does record, the District should record the conference also.

If a disabled person should visit a school and request accommodation and s/he has not submitted the Request for Accommodation Form 9160A F1, in advance, the principal should ask the person to allow the school adequate time to arrange for the accommodation, providing such accommodation is reasonable (see AG 9160A).

Each principal shall post in a conspicuous place at each entrance, the rules, and procedures to be followed by visitors.

USE OF UNPAID VOLUNTEERS
Unpaid volunteer aides may be used throughout the school system for:

A. one (1) day resource service projects such as a lecture, a demonstration, or assistance on a field trip;
B. short term resource service projects;
C. continuing service projects extending over long periods or for the entire school year.

Procedures to be Followed

A. Volunteers for one (1) day and short term resource service projects may be contacted and scheduled by the individual school or department desiring the service without involving the Central Office in the arrangements and without any special conditions.
B. All volunteers who will be working with students on an independent basis are required to be fingerprinted.
C. All volunteers shall be under the direct supervision of the school or department administrator and/or the teacher to whom they are assigned. They may not be used in an administrative or supervisory capacity.

UNRULY BEHAVIOR
Repeated violations of the code of conduct may result in the school filing unruly charges through the Montgomery County Courts.
WIRELESS COMMUNICATION DEVICES
Students may possess wireless communication devices (WCDs) in school, on school property, during after school activities (e.g. extra-curricular activities) and at school-related functions, provided that during school hours and on school vehicles the WCDs are powered completely off (i.e., not just placed into vibrate or silent mode) and concealed and secured in hall lockers (but not locker room lockers) or vehicles or stored out of sight. All specific guidelines for use of WCD’s will be found in the student handbook of each building.

WIRELESS COMMUNICATION DEVICES: SPECIFIC GUIDLINES
There are three possible electronic device policies at Stebbins High School:

• Red – No Phones (restrooms, offices, hallways during class time)
• Yellow – Phones used for Educational Purposes Only (in classrooms, with teacher approval)
• Green – Phones may be used with 1-Bud, Low Volume, Headphones Only (except photos, videos, speakers, or voice calls) (hallways during class change, cafeteria, before & after school)

Teachers will choose the policy appropriate for their classroom. All phone calls to parents must be made in the main office. Failure to follow this policy will result in the confiscation of the device and disciplinary action. The device will be available for pick up in the main office at 2:40. If a student refuses to give the phone to the teacher consequences will be more severe.

STUDENT CODE OF CONDUCT
The Student Code of Conduct contained in the student handbooks define in detail how the Board of Education expects students to conduct themselves when under the jurisdiction of the Board.

All professional staff members are requested to be on the alert for any student behavior which is in violation of school regulations. Students should behave in a manner that will be a credit to our schools.

A record of a student's misconduct as well as disciplinary actions will remain until the student leaves the school. Suspensions and expulsions are to be made a part of the student's permanent record.

Student Code of Conduct
We believe that students learn best in an atmosphere of mutual acceptance and trust. The best discipline is self-acquired and not imposed. Freedom and self-direction are achieved gradually and as students learn to substitute self-imposed controls of behavior for adult-imposed controls. Our ultimate goal is to help students see that rules and regulations are necessary and, when applied, shall be reasonable and appropriate to the nature of the behavior and in accordance with the holdings of Ohio courts of law.

Student Discipline
The Student Code of Conduct, adopted by the Board of Education as required by Ohio Law, sets forth a student discipline code, which outlines the conduct for which a student may be removed from a curricular or extra-curricular activity, be suspended, or expelled from school.

Equal Opportunity
In maintaining the student's right to equal educational opportunity, it is reasonable and necessary to maintain order in our schools. A student may forfeit his/her right to educational opportunities when his/her conduct is such that it disrupts the educational process, deprives others their basic rights, or violates rules as stated in the Student Code of Conduct.

Behavior Expectations
Students are expected to abide by the rules as stated in the Student Code of Conduct and/or Rules and Regulations adopted by the Board of Education.
Zero Tolerance

Students are expected to conduct themselves in a way that exhibits respect and consideration for the rights of others. Students of the District must conform to school regulations and accept directions from authorized school personnel. The Board has “zero tolerance” of violent, disruptive, harassing, intimidating, bullying, or any other inappropriate behavior by its students. A student who fails to comply with established school rules or with any reasonable request made by school personnel on school property and/or at school-related events is subject to approved student discipline regulations. Students are also subject to discipline, as outlined in the Student Code of Conduct for misbehavior that occurs off school property when the misbehavior endangers the health and safety of students within the District or adversely affects the education process. The Superintendent/designee develops regulations which establish strategies ranging from prevention to intervention to address student misbehavior, and provides continuing instruction in dating violence prevention in health education courses in grades 9 through 12. Students and parents receive, at the beginning of each school year or upon enrolling in the District schools during the year, written information on the rules and regulations to which they are subject while in school or participating in any school-related activity or event. The information includes the types of conduct which are subject to suspension or expulsion from school or other forms of disciplinary action. The Board directs the administration to make all students aware of the Student Code of Conduct and the fact that any violations of the Student Code of Conduct are punishable. The rules also apply to any form of student misconduct directed at a District official or employee or the property of a District official or employee, regardless of where the misconduct occurs. If a student violates this policy or the Student Code of Conduct, school personnel, students or parents should report the student to the appropriate principal. The administration cooperates in any prosecution pursuant to the criminal laws of the state of Ohio and local ordinances. A student may be expelled for up to one year if he/she commits an act that inflicts serious physical harm to persons or property if it was committed at school, on other school property or at a school activity, event, or program. The Superintendent is authorized to expel a student from school for a period not to exceed one year for making a bomb threat to a school building, or to any premises at which a school activity is occurring at the time of the threat. Any expulsion under this provision extends, as necessary, into the school year following the school year in which the incident that gives rise to the expulsion takes place. Matters which might lead to a reduction of the expulsion period include the student’s mental and/or physical characteristics or conditions, the age of the student and its relevance to the punishment, the prior disciplinary history of the student and/or the intent of the perpetrator. The Student Code of Conduct is made available to students and parents and is posted in a central location within each building.

Due Process

Procedural requirements of Section 3313.66 of Ohio Law will be implemented in conjunction with an emergency removal (over 24 hours), suspension, or expulsion from school. The administrator shall:

A. Give the student written notice of the intention to suspend and the reason(s) for the intended suspension.

B. Provide the student an opportunity to appear at an informal hearing before the principal, assistant principal, superintendent, or superintendent's designee, or other administrator and challenge the reasons for the intended suspension or otherwise explain his/her actions.

C. Notify the parent, in writing, within one school day after the suspension (immediate parent notification by phone, when possible).

D. Provide the student, parent or guardian, the right to appeal to the Board of Education's designee and be represented.
Administration of Student Disciplinary Code

Building principals, assistant principals, and other administrators shall administer the student disciplinary code and shall use their professional judgment in determining the most appropriate disciplinary action to be taken in each individual case, which may result in verbal or written warning or reprimand, referral to guidance counselor, parental contact or conference, detention, emergency removal, referral to law enforcement agencies, suspension or expulsion. In determining the appropriate disciplinary action, it is necessary to classify the behavior of students according to the severity of the violation.

Scope of Jurisdiction

While under the jurisdiction of the school, or on school property, or in a school vehicle, or off school grounds immediately before or after school, or on the way to or from school, or at any school sponsored activity on or off school grounds, a violation on the part of a student of anyone or more of the following rules of conduct shall result in disciplinary action including, but not limited to, denial of participation in an extracurricular activity, counseling, parent conference, detention, Saturday School, emergency removal, removal from a school vehicle, suspension from school and expulsion from school. This includes misconduct by a student, regardless of where it occurs, that is directed at a school official or employee, whether directed toward their person or property.

The Superintendent of Schools may consider reducing the expulsion period on a case-by-case basis for the following reason(s):

A. The student has not had a record of reoccurring discipline problems.
B. There are mitigating circumstances surrounding the offense that may indicate expulsion for one calendar year to be an inappropriate measure.
C. The students age and grade level indicate expulsion for one calendar year to be an inappropriate measure.
D. A reason(s) not listed in one, two, or three but which the Superintendent of Schools, in his/her sole discretion, believes warrants a reduction of the expulsion period.

KNIVES:

A student shall not bring a knife to school or onto any other property owned or controlled by the Board, or to any interscholastic competition, extracurricular event, or any other school program or activity even if not located in a school or on property owned or controlled by the Board. EXTRA CURRICULAR STANDARDS

INTRODUCTION
All students of Mad River Local Schools are encouraged to participate in school activities. Participation fosters student growth related to the development of important life-long skills, habits and practices. Through involvement in school activities, students learn the true meaning of responsibility, competition, accountability, and teamwork. Further, students are exposed to valuable lessons related to socialization, goal setting, time management, and leadership. Those who choose to participate will undoubtedly receive a more balanced comprehensive and enjoyable education than those who choose not to become involved in school activities.

EXPECTATIONS
Students participating in athletic/extracurricular activities are expected to:

1. Abide by the Student Code of Conduct and other specific and related activity rules. Category A violations shall result in a denial of participation from the activity.
2. Always represent yourself in a manner that is becoming to Mad River Local Schools.
3. Be at every scheduled activity or practice and be on time.
4. Anticipate schedule conflicts in advance and initiate necessary communications directly to advisors/coaches in a timely fashion.
5. Refrain from using profanity and/or degrading actions/comments.
6. Maintain a neat and appropriate appearance.
7. Take care of equipment and assist in the setting up and taking down of activity equipment.
8. Pay the associated fees prior to the first scheduled contest.

These expectations are in effect during the official beginning and ending date of the activity. If a participant is prohibited from participation, the period of nonparticipation may be for a specific period of time and/or for the duration of the activity.

SCHOLARSHIP STANDARDS FOR GRADES 7-12
The Mad River Local Schools promote academic excellence and extracurricular involvement on the part of all students. In keeping with this position, the following scholarship standards are established for students participating in extracurricular activities:

- Quarter/Semester grade averages shall be rounded to the nearest tenth.
Athletes must meet the eligibility standards of the Ohio High School Athletic Association.

A failing grade shall not determine eligibility for participation as long as the student meets all other scholarship standards.

**STUDENT CODE OF CONDUCT FOR EXTRA CURRICULAR ACTIVITIES**

While under the jurisdiction of the school, students are expected to abide by the Student Code of Conduct and the rules and regulations adopted by the Mad River Board of Education. Furthermore, each extracurricular activity may have specific guidelines and rules with which its participants must comply and abide by. In order to be a candidate and/or maintain participant status, students should familiarize themselves with all guidelines associated with student activities and are advised that failure to abide by the guidelines may affect their status as a participant, spectator, or student.

Athletics is a privilege, not a right. Based on the statutory law and on court decisions, participation in interscholastic athletics is a privilege and not a right. In 1981, the Ohio Court of Appeals of the First Appellate district (Hamilton County) held that “participation in interscholastic athletics in and of itself has never been held to be a constitutionally protected civil right.” Therefore, school boards and athletic associations have the authority to regulate interscholastic athletics and to establish eligibility requirements.

When it becomes necessary to prohibit participation of a student from an activity, school personnel will follow the procedures outlined below.

**EXTRACURRICULAR ACTIVITY DUE PROCESS PROCEDURES**

The superintendent, a principal, assistant principal, athletic director, and other administrative personnel may prohibit participation of a student from any particular extracurricular activity, or from all extracurricular activities, of the district (or one school of the district), due to the student’s violation of: the Student Code of Conduct; the Extracurricular Standards set forth above; training rules; and/or the guidelines and rules of the particular activity involved. Before imposing such a suspension, the student shall be given:

a. Written notice of the reasons to prohibit participation;

b. An opportunity for an informal hearing to challenge the reason(s) or otherwise explain his/her actions.

If prohibited from participating, the student shall also be given written notice of the reasons and the duration of the nonparticipation. A copy of the notice of suspension should be sent to the parent (or guardian) within one school day after the decision.

To be prohibited from participation from an extracurricular activity means that the student will not be permitted to attend and/or participate in specific school extracurricular activities. The period of nonparticipation may be for a specific period of time and/or for the duration of the activity.

The coach/advisor for the extracurricular activity should be present for the hearing, although such person’s presence is not required.

Per Board Policy, students prohibited from participation in all or part of any extracurricular activity are not entitled to further notice, hearing, or appeal rights.

If a student has been removed from two extracurricular activities due to a violation of the Code of Conduct, the student will be prohibited from participating in extracurricular activities for the remainder of their high school career.

**TRAINING RULES-INTERSCHOLASTIC ATHLETICS**

If at any time, a participant violates one or more of the following rules during the period of athletic participation, the athlete shall be prohibited from further athletic participation:
