Mad River Hires New Principal for Brantwood Elementary School

Riverside, OH — The Mad River School Board is pleased to announce the appointment of Misha Monnin as Principal of Brantwood Elementary School effective August 1, 2019. Monnin will fill the position vacated by Andrea Rastatter, who is moving to Central Office this fall.

Monnin comes to Brantwood with a strong background in school administration. Currently the K-6 principal at Central Academy in the Middletown City School District, Monnin previously served as coordinator of federal programs at Xenia Community Schools, and as a co-principal of curriculum and instruction 5-8 at Indian Lake Local Schools. She also has teaching experience at Crittenton Community Schools in Columbus, where she taught high-risk learners.

“We are proud to have Misha join the Mad River School District,” said Superintendent Chad Wyen. “Mrs. Monnin’s years of experience and dynamic professional background is well-suited to enhance the educational journey of our students. I am confident that parents at Brantwood will be pleased with her hard work and dedication to make our youngest learners successful at the elementary level.”

Misha earned her Bachelor of Science in Elementary Education from The Ohio State University and her Master of Arts in Education Administration from University of Findlay.

Monnin is a member of the Ohio Association of Elementary School Administrators, and the Wright State University Area Council of Teachers and Mathematics. Her 22 years of educational experience has given her the opportunity to become skilled at analyzing data and identifying instructional strategies to ensure student growth. She has a passion for working with diverse school communities and is focused on positive school cultures.
